# Introducing Higher Speed Internet.

For families with the need for speed.

America's #1 High Speed Internet provider takes your family to where the fun is – at 100% pure broadband power velocity.

Bring your family together faster with exclusive kids games, puzzles entertainment and more over the Disney Connection – a Comcast exclusive.

Online games: you rule. Get up to 4-times faster download speeds than DSL, plus over 200 free games on Comcast Arcade. And because your connection is optimized for multi-media, the entire family wins.

**Online Games.**  
You Rule.

With Comcast Higher Speed, you never have to wait to see the latest and greatest on the Internet. Videos, family shows, previews and unforgettable clips to watch, share and be amazed. Point-and-click customization keeps your family's needs and interest at the center of it all. And with the free security software included, you also get great peace of mind, super fast.

## Music.

Choose your groove and go for it.

Enjoy instant CD quality sound on your computer or home stereo with Rhapsody: unlimited access to over 800,000 songs, as well as over 70 channels of commercial free radio. No need to worry about keeping up with the latest sounds – you're already there with Comcast.

## Videos.

Learn while you play, right away.
