\*Offer expires 5/13/04. Certain restrictions apply. Offer not available for services to which customer currently subscribes or has subscribed to in the past 6 months. Offer and services not available in all areas. Offer not available with any other discount or to business customers. After first month of free service, regular rates for Comcast High-Speed Internet will apply. Current rate for Comcast High-Speed Internet is \$52.95/month. Customers who also subscribe to Comcast Cable TV will receive a \$10/month multi-product discount, reducing the price of Internet service to \$42.95/month. Equipment is required and is not included in prices shown. Currently, the modem rental charge is \$3.00 per month. Prices shown do not include applicable taxes and fees. Installation, equipment, additional outlet, change of service and other charges may apply. Pricing and packaging may change. Service is subject to terms and conditions of Comcast High-Speed Subscriber Agreement. Please call 1-866-461-1916 for restrictions, minimum requirements, and complete details. \*\*Speed comparison is for downloads only and is compared to 640Kbps DSL and 56Kbps dial-up. Maximum upstream speed: 256Kbps. Actual speeds may vary and are not guaranteed. Many factors affect download speed. ©2004 Comcast. All Rights Reserved.
