### New Interactive Guide

It simply tells you exactly what you want to know – search for movies and shows every which way; get descriptions, ratings, stars, and more info without ever missing a beat with picture-in-picture; and even program to show only what you want the kids to see. Very cool.

### Video On Demand

Choose from a huge library of New Release movies and Hollywood favorites, plus other great series and productions – what you'd rent at the video store, except it's all available from your Digital Cable box. Plus, you get even call up your favorite TV shows and watch when it's convenient for you.

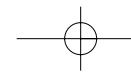

### DVR – Digital Video Recorder

Control what you watch. Pause, rewind, and replay what you just saw, or what you recorded – even two live shows at once! It's so easy – just point and click an individual show, or tell DVR to record an entire series. And best of all, there's no expensive equipment or extra service to buy. DVR capability comes with every Digital Cable Converter.

### HDTV Channels

From local channels to premiums – if it's available in High Definition, that's how you'll see it. Amazing resolution and picture quality.
