Comcast Digital Phone is not available in all areas. ~Comparisons are based on rates in effect as of 2/14/03 excluding promotions. AT&T One Rate[®] 7¢ Plus Plan interstate usage rates comparable to Comcast LD By-The-Minute interstate usage rates. Long distance usage not included. Total cost does not include Universal Service Charge, a Federal Access Charge, or other state and local fees, taxes or surcharges that may apply. SBC[®], AT&T and Comcast are separate companies. Promotion is available to new Comcast Digital Phone customers only. Offer ends April 30, 2003. *After the first 12 months of service, the then current standard monthly rates for DTS PowerPak, Homewire, and Comcast LD 120 will apply. **Customers must subscribe to Comcast local and long distance to receive the free 120 minutes of long distance. Free 120 minutes of long distance is applicable for direct-dialed calls placed from home to numbers that terminate within domestic U.S. Domestic long distance usage over the 120 minutes will be billed at \$.07 per minute. Promotional offer does not include Universal Service Charge, a Federal Access Charge, or other state and local taxes, fees or surcharges that may apply. ^Free installation applies to existing, working outlets only. Installation of new jacks or activation of non-working jacks is charged at an hourly rate. Other restrictions apply.
